Dear Mr. Nittler:

We're happy to confirm the details of your reception report on 21 October 1989. KLZX operates at that time of day with an input power of 50,000 watts, so it's not surprising you could pick us up in Colorado.

I'm familiar with the area of Colorado where you live. I was once the news director of KENN/KRWN in Farmington, New Mexico. Frankly, with winter coming on, I'm glad I live in Salt Lake...

Yours sincerely,
