Dear Bill:

I was very happy to receive your reception report. Myself and others enjoyed hearing the details of this report.

KMRI took over KRGO studios in December of 1997. We are in the process of transitioning it from country classic music to gospel music. KMRI is the 3rd largest station in Utah also reaching into the states of Idaho, Wyoming and Nevada. KMRI is 10,000kw daytime power and 500kw nighttime power.

We are glad to know that we are reaching worldwide, certainly this is a blessing of God.

I have enclosed a postcard of Utah and a business card. When we have a web address I will send that to you as well. If you are ever in Utah, please come by and say hello. The 2002 Olympics are being held here.

Again, thank you for the reception report, good luck on your hobby.

Sincerely,
