Dear Bill,

We are in receipt of your letter dated September 10, 1980.

This is to confirm our program which you stated in your letter.

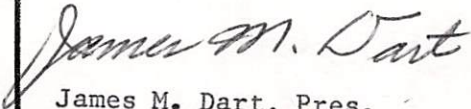

We were thrilled to think you received us during critical hours,
(with a very good signal if it had not been for the static).

We appreciate you for taking the time to let us know of the
reception in your area. If you have the time, drop us a line
and let us know how our signal is during a clear day.

We are a new AM 2500 Watt daytime station, commencing broadcasting
Sept. 6, 1980.

Thanks again, and if you are ever in our area we invite you to
come in and see our facilities. Our studio address is 163 East
100 North, telephone #(801) 637-4666.

Sincerely,

James M. Dart, Pres.
