Dear Bill:

I am pleased to confirm your signal report and reception of our signal of January 25, 1968. The report is accurate.

From most of our reports the Hammarlund 4Q180 seems to be quite a popular unit. It sounds like you have a pretty good system.

Thank you for your signal report and best wishes in all of your activities with the I. R. C. A.

Sincerely,

DeRay Shepherd
Chief Engineer
