March 18th., 1955

Mr. Maurice W. Nittler
Box 94
Geneva, Nebraska

Dear Sir:

This is to confirm your reception of WFHG on the morning of Feb. 28, 1955, at our sign-on. WFHG operates with 5 KW day and 1 KW night, directional antenna night.

We were very glad to hear from you, as yours is our first letter from your State, and I am pleased to verify your report.

Yours very truly,

John Hughlett
Chief Engineer
