

WNRV

990 KILOCYCLES---1000 WATTS

Giles Broadcasting Company

Serving The New River Valley And Surrounding Territory

NARROWS--PEARISBURG, VIRGINIA

October 20, 1954

Hi Maurice

Received your letter and I am glad to report to you that we did do a regular monthly frequency check on October 18, 1954.

Our station here is a day time station only we are on from sun Up to sun down.

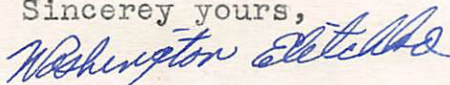

All the equipment we have is Gates we have a one kw Gates transmitter and we are located at Narrows Virginia in the Wonderful New River Valley.

That why our call letter are WNRV. We here at WNRV get a lot of Dx letter and Iam pleased to report yours is the third this month for the frequency check that was done on October 18, 1954.

We do our monthly frequency every month and it falls on the third Monday of each month. 5:10 to 5:20 AM.

Hope to hear from you again in the near future.

Sincerey yours,

Washington Elitchko
Chief Eng. (WNRV)
