

WRVA

Virginia's Premier Radio Station

RICHMOND 12, VIRGINIA

June 7, 1954

Mr. Maurice W. Nittler
Geneva,
Nebraska

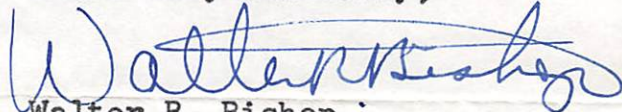

Dear Mr. Nittler:

Your recent letter is greatly appreciated, and we are happy to know that you were listening to this station on the morning of June 5th.

You were listening to a portion of our "All Night Record Roundup," presented each evening except Sunday from 11:30 p.m. until 5:50 a.m., EST. WRVA broadcasts 24 hours daily with a power of 50,000 watts on a frequency of 1140 kilocycles.

We hope you will be able to listen often to this station and shall be glad to receive your future reception reports.

Yours very sincerely,

Walter R. Bishop
Public Relations Director
