Mr. Nittler:

Sorry for the delay in getting back to you. KDFL greatly appreciates your letter. The reason we did not get back to you any sooner was probably because at the time you wrote the letter KDFL was going through an ownership change and must have been mis-placed.

We are happy to verify your receiving our station, 3/19/69. According to our records this did take place as stated in your letter.

KDFL is a daytime radio station with 250 watts of power on 1560 kilo. We have presunrise authority and sign on at 6:00 am every morning. We protect KPMC in Bakersfield Calif. with 10,000 watts DA.

I am also sending you a coverage map. Thank you for your letter. Thank you for your patience.

Yours truly,

Roger Pasquier
