Dear Bill:

We are pleased to confirm your reception of KMBI on 1330 kHz, March 6, 1986 from 5:22 p.m. to 5:30 p.m. Our transmitter is a 1958 5kw Gates BC5P that has been very faithful over the years. The antenna is a simple 200 foot single stick and is series fed.

Best of luck as you listen.

Sincerely,

Gordon Canaday
Chief Engineer
