Dear Sir,

This will acknowledge your receipt of our station on Febr. 18, 1955.

A check of our log indicates your report is "on the nose". Seems to me that little Emerson receiver you have is doing pretty good by itself. Hi!

I went to school in Omaha and unless I'm mistaken, its pretty darn cold back there in Nebraska about now. Hope your reception continues well.

Thanks for writing.

Sincerely,

D.M. McDonough
