Box 94,  
Geneva, NEBRASKA

Dear Mr. Nittler:

Thank you for your letter of reception which we re-  
ceived recently...we were very happy to hear from  
you!

We now have our new Gates Transmitter installed, and  
it's really booming out over the country-side, and  
the quality of the broadcasts have improved consider-  
ably.

So, if you keep picking us up from time-to-time, please  
advise, won't you? Thanks again!

Sincerely,  
*Connie Forster*
