Dear Mr. Nittler;

Thank you so much for your letter reporting reception of WEAQ on September 12, 1960 during the early morning schedule of broadcasting. According to our logs your reception of this station is correct.

I am sorry that your letter was not answered before this date, but because of a mistake in filing your letter was mis-laid and has just now come to my attention.

Again, thank you for your most accurate report.

Sincerely,

Mr. Kenneth Tetzloff
Chief Engineer
