Dear Bill:

Received your letter and report of reception of WKAU RADIO. From what you logged for our schedule, I would say that you, indeed, were receiving WKAU.

Thank you very much for your letter and much luck to you.

I'm not going to go into any technical talk with you via this letter because I am not qualified. Our chief engineer is home based at WSAU in Wausau, Wisc. and just comes up here every couple of weeks.

We are located 20 miles south of Green Bay and about 5 miles North of Appleton Wisconsin. We're a 1,000 Watt, Directional operation with our WVLE-FM Station located at 104.9 Mgh.

Good luck, Bill, and again, thanks for writing.

Cordially,

Dave Raven, Gen. Mgr.
