Mr. Maurice W. Nittler  
Box 94  
Geneva, Nebraska

Dear Mr. Nittler:

This is to verify that Radio Station WPLY, Plymouth, Wisconsin, made a test broadcast on the morning of April 2, 1955, and also wish to advise that your report corresponds with our log. This is the farthest point due West that we have made thus far.

Thanking you for the interest you have shown in reporting the reception of our station, I am

Sincerely yours,

*Eugene Capelle.*

Eugene Capelle  
Engineer WPLY
