Dear Sir:

Thank you very much for your nice letter. I am very happy to confirm and verify your report of reception of this station Monday December 10, 1956 at 4:10 AM EST.

Incidentally, I also received a report from your brother Francis in Denver, Colo. He told me that I would probably receive a letter from you. When I verified his report I told him that I had received your report. It's a small world.

Here's wishing you a very Merry Christmas and a wonderful new year.

Sincerely,

James E. McEwuen
Chief Engineer
