W H I S, located at Bluefield, W. Va., is the voice of the great Pocahontas coalfields, which annually ships to the world's markets 30,000,000 tons of the finest bituminous coal.

Bluefield likewise is the center of a scenic mountain wonderland with an ideal summer climate. It is known as "Nature's Air-Conditioned City" because its elevation is 2,612 feet above sea level. Thanks.
