Dear Mr Bill Nittler,

All of us here at KKTY were happy to receive your letter! In response to your question of verification, yes, you were correct. Cat our night time radio personality was on shift and verified all of your loggings.

It's nice to know you were able to pick up our station at such a far distance. It was even more of a pleasure that you took time out to write us a letter. We hope that our signal will continue to reach your area.

Thanks once again!!

Dear Bill,

It is interesting you write just five days after we put our new AM Transmitter on line. Everyone in the station was really excited to receive your letter. Our old transmitter barely covered the Town.

Thanks for listening. Hope you catch us again sometime.

Happy DXing.
