NEW ZEALAND BROADCASTING SERVICE

P.O. Box 888,  
DUNEDIN.

27th February, 1962.

Mr Maurice W. Nittler,  
1755 So. Vallejo St,  
Denver 23,  
Colorado,  
U.S.A.

Dear Mr Nittler,

We are interested to receive your reception report and enclose our verification card. The programme you were listening to on our evening of February the 12th was a national link which originated from Hamilton (in the North Island of New Zealand) and concerned New Zealand Women's Dominion Bowls Championships. In fact what you heard over 4YA, wave length of 780 kcs, was a sports review of these events broadcast throughout the length of New Zealand by our special programme lines.

Yours faithfully,

*S. R. Williamson*
