ALABAMA
COMMUNICATION

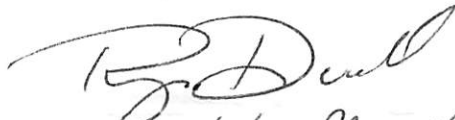

Bill-

My apologies for not writing sooner, I
had misplaced your letter under some files.
Yes, ! it was/is APR that you heard

that evening.

It's interesting that you pulled in WAPR
and not our other stations which are
a little closer to you and higher-powered.
WAPR is licensed to Selma/Montgomery, AL
and the transmitter is in Lowndes Co.,
halfway between the 2 cities.

Thanks again for the note - great to
hear from you. Hope this finds
you well.
