Dear Bill,

Thanks for writing about our radio reception in your area. It's always good to hear from a "DXer".

In April, 1987 we signed on the air with WBHY-AM 840 on the dial. Since that time, we have added WBHY-FM, which we refer to as "POWER 88", in March, 1992 and WLPR-AM 960 that was signed-on in September, 1994.

Almost everyday we hear from listeners in Mississippi, south Alabama and Florida. Because we are on the Gulf Coast, our signals reach into these other states to Biloxi, MS and Pensacola, Florida.

I'm enclosing a couple of bumper stickers for you. Good luck in your future "DXing".

Sincerely,

Wilbur H. Goforth,  
President/General Manager
