Mancos, CO 81328

Dear Bill,

Great to hear that you are picking us up in the Rockies. My only hope is that you have an Arbitron Diary...

Enclosed is a bumper sticker and an autographed picture of the 'Ole SHOTGUN. I guess with the low clouds we've been having, conditions have been pretty good for FM dx-ing.

Hope you're enjoying the 70's & 80's Rock 'n' Roll.

Best Regards,

Michael J. Somerville
Assistant Chief Engineer
