

BILL,

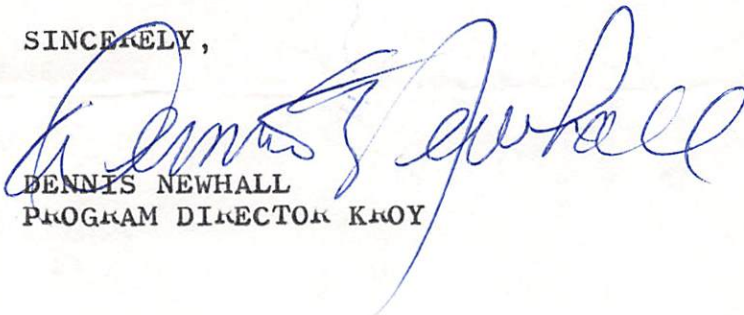

IT'S GOOD TO KNOW OUR SIGNAL REACHED ALL THE WAY TO YOUR AREA.
WHAT YOU DESCRIBED DEFINITELY SOUNDS LIKE KROY FM. WE CALL IT,
"SACRAMENTO'S ADULT ROCK."

I TAKE IT YOU LISTEN FOR FARAWAY STATIONS AS A HOBBY. SOUNDS LIKE
NUCLA/NATURITA IS A RADIOACTIVE AREA IN MORE WAYS THAN ONE! (sorry)

I SENT ALONG ONE OF OUR WINDOW STICKERS IN CASE YOU'RE INTERESTED.
YOU'LL NOTICE WE HAVE AN AM STATION AS WELL. 12-40 PLAYS THE SAME
GREAT ROCK THAT THE FM STATION AIRS.

THANKS FOR WAITING.

SINCERELY,

DENNIS NEWHALL
PROGRAM DIRECTOR KROY
