Mr. Nittler,

This will confirm your reception of KBPI on June 16, 1978  
at 7:30AM. Dave Montel was the announcer on the air.

It might interest you to know I too am a DXer. Although  
mainly standard broadcast band DX, I have dabbled in shortwave  
and FM. The day after I received your letter, June 20,  
I picked up three FM stations from Northern California.

Thanks for the letter and happy listening.

Sincerely,

JOHN BRADLEY
