Box 824

Mancos, CO 81328

Dear Bill,

It was a rare pleasure to receive your letter reporting the reception of KKXK-FM on July 17, 94.1MHz during "Renegade Russ's" show. Not many people DX commercial stations, apparently. Thanks for writing us. I have always loved the country around Mancos and have travelled through there since I was a boy.

Happy Listening!

Yours,

Jim Frank

Chief engineer, KUBC/KKXK
