Dear Bill:

Hello Bill! Thank you so much for listening to BIG 105. We are always excited to hear from our listeners, even if you were a listener for only a brief moment! Your home town sounds absolutely beautiful! Red Deer's population is approximately 70,000.

You picked all of that up in your car?! Wow! It's always interesting to see just how far our signal will go - we have had letters from as far away as Germany!

I am enclosing for you a BIG 105 Bumper Sticker. Unfortunately, that is all we have for promotional items at this time, as we are still a fairly new FM station here in Red Deer, and are in the process of ordering more giveaway items. I hope this is OK with you, and we wish you the best!

Have a "**BIG**" day!

Best regards,

S. Quast
