

Dear Bill:

We are sending this letter to verify with you that on June 13, 1996 you did pick up our radio station. We apologize for not having verified after the first letter but our station has made constant changes over the last few years including location. That is most likely why your original letter was not answered.

Some information about our station for you since you last heard it. We no longer go by 94.1 FM. Our call name is now The Eagle 94 One. This change was made September 1, 1997. We don't play GTO in the evenings rather modern music 24 hrs a day. As well we carry Swift Current Bronco Hockey, Blue Jays Baseball, and the Saskatchewan Rough Rider Games.

Good Luck in future DXing and thank you for the letter. It was a great surprise.

Sincerely,

A handwritten signature in blue ink that reads "Leslie Bulin".
