Dear Bill:

Thank you for your recent letter confirming your reception of C-JAY FM 92 on June 24, 1981. Your report is correct.

I trust that your trip to Alberta was an enjoyable success even though you missed the visit to our facilities.

I have enclosed a station crest and hop that it will end up in your collection. Continued good luck with your listening!

Yours Truly,

  
Mike Waite,  
Promotions Director

Dear Bill:

We recently received your reception report of CJAY 92 FM and are pleased to verify the following:

Station Received:	CJAY Calgary, Alberta, Canada
Station Location:	51°, 03' W, 114° 10' N
Station Frequency:	92.1 MHz
Station Power:	100 kw ERP
Reception Location:	Mancos, CO, USA
Received by:	Bill Nittler
Reception date / time:	June 13, 1996, 720 PM MDT

It is unusual to get a DX report for CJAY, I only have two from the past three years!

Thanks for taking the time to write.

Yours truly,

Ken Pasolli  
Technical Director, Standard Radio - Calgary Division
