Dear Bill,

We appreciate your letter informing us
of your reception of Y-99. Keep listening.
It's nice to have a listener in Neb.
You live close to my hometown Vermillion,
S. D. My parents still live in Vermillion. I
have an Aunt in Sioux City & three
sisters in Omaha. I guess will have
to change our coverage map to include
McCook, Neb. - HA! HA! Good luck
& keep listening.

Sincerely,

Denny Ekhard
