Re: Reception of WPAP

Dear Bill,

Thank you for letter informing us of your reception of our station in the great state of Colorado.

WPAP is a 100,000 watt FM Country station located in Panama City, Florida. We are one of Florida's oldest country music stations and have been this area's number one station for the past 17 years.

The announcer you heard on the air was myself, as I work afternoon drive from 2pm - 6pm cdt.

I have enclosed one of our new window stickers. We are currently using them for on air promotions and we would not mind if you put one on your vehicle.

Thanks again.

Sincerely yours,

A handwritten signature in black ink that reads "Dan Murray". The signature is fluid and cursive, with a long, sweeping underline.
