AUGUSTA, GA. 30903

Dear Mr. Nittler,

We greatly appreciate the report on your reception of our signal. Members of the staff have been excited and somewhat in wonder. At this writing it hasn't been determined what the initials NE in your address stand for. I'm sure we will learn your exact whereabouts in the AM when the post office opens.

BULLETON:WE'VE JUST LEARNED NE IS NEBRASKA.

Thanks again, Chuck Whitaker
