Dear Radio Friends:

I am very pleased to report reception of your radio station in Mancos. The following is what I was able to log on your signal:

Date: May 27, 2003 Time: 11:39 A.M. CDT Frequency: 105.5 Mhz.

Details heard

11:39 A.M. CDT Ad for Quad City Car X ID as "Q 106.5". Ad for Adventureland in Des Moines. "Enjoy fun to the extreme" and Adventureland Inn. Ad for Farm and Fleet.

11:42 "Welcome Fleetwood Mac to the Mark in Moline June 22" ID as "Classic Hits Q106.5"

Your signal was very good at times but faded rapidly. Numerous IL, IA and KS stations in at the time on E skip.

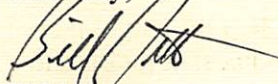

My receiver is a Drake R8-A using a 125' long wire antenna.

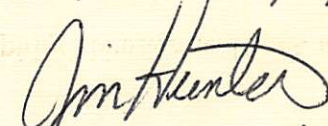

Would appreciate it very much if you would send me a card or letter of verification on my reception of your station. I have enclosed a self addressed stamped envelope for your convenience in replying. Thank you very much for this favor.

Mancos is located in Southwest Colorado between Cortez and Durango in the Four Corners area, the Gateway to Mesa Verde National Park.

Will be looking forward to hearing from you soon. Good luck to you in your future broadcasting activities.

Sincerely,

Bill Nittler
