Dear Bill,

This letter is to verify your report of reception of our FM Station on August 12, 1978. KICD-FM is a Class 'C' Station with an E.R.P. of 100 KW. We have recently.....(last fall) changed our format to "Easy Country". You heard us when we were in the middle of the '78 Clay County Fair. Our AM station broadcasts from a remote studio for the entire 8 days of the fair.

Thankyou for your intrest and good luck in your hoby.

Sincerely,

A handwritten signature in cursive script, appearing to read "Tom Fuchsen".
