Dear Bill:

This is a letter to confirm your reception of FM
Broadcast Station KIWI on August 13, 1978, at 3:02 A.M.
CDT..

Our transmitter is located atop a 250 ft. limestone
bluff overlooking Dubuque, Iowa and the Mississippi River.
Operating power is 50,000 watts, and our exact frequency
is 105.3 mhz.

Thank you for your letter.

Sincerely,

Lloyd Berg
Chief Engineer - WDBQ AM/KIWI FM
