

Dear Bill,

I am writing in response to your letter requesting verification of our Radio station.

Our call letters are WBNH, we're bringing news of Him located at 88.5FM.

We are a christian radio station celebrating the Good News that God sent His Son Jesus Christ to die on a cross for you and for me. He rose again on the 3rd day conquering death. We can have a personal relationship with Jesus now and have the confidence that when we die we will spend eternity with God in Heaven.

This is possible simply by acknowledging this Truth and asking Jesus to take charge of our life, seeking His forgiveness of our sins. I have made this commitment personally and can testify how great it is to experience the peace and joy that only comes from God. I pray that you too have made this decision and if not Now is the time. The events that have taken place this past week is certainly evidence that we do not know what the next moment will bring in our lives.

Our web address is www.wbnhradio.com

Hope this information helps you.

In Christ,
