re: DX'ing

Bill... thanks for listening (albeit very briefly)! We get the occasional note regarding our AM (1240 WTAX), but never one of our FM's from various DX'ers the world over... this is a first for us!

Just for your records, we recently changed (FEB 19 to be exact) our call letters from WYXY to WMHX to reflect the change on February 26 from Country to Hot AC.

If you're ever in the Springfield area, give us a call and we'll be glad to show around the station.

Best regards,
