Dear Radio Friends:

My hobby is DXing (listening for radio stations) on the AM & FM bands. Reception reports are sent to the stations I hear in the hope that I will receive a verification of my reception of the station.

Such a report was sent to your station but to date has gone unanswered, I realize that a radio station is a very busy place and it is easy to overlook someone's hobby when it is not vital to your business. However, I would again like to request a verification of my reception of your radio station.

A copy of my original report is attached.

I certainly thank you for your time and efforts on my behalf and wish you continued success in your broadcasting activities.

Sincerely,

Bill Nittler
