

Bill, I am confirming your reception of WICKR. The programs you listed were broadcast at those times.

Interesting note is that my son lives in Colorado Spring + I went with him to Mesa Verde this past July.

Small world isn't it. I have enclosed my business card, also for confirmation.

Thanks for your note + I would hope we could also come your way again, from a reception point of view, in the near future

Sincerely
Edward W. Roehling
General Manager, WICKR
