July 12, 1977

Bill Nittler
603 W. 1st.
McCook, NE 69001

Dear Bill:

We recieved your letter of distant reception a couple weeks ago,
and I am sorry about the delay in a return, but it was mis-
placed. Well better late than never!!!

The programming you listed is very accurate for that date.

As general info. our signal has a tendency to carry to the North
more than any other direction. We have recieved letters from
North & South Carolina about reception.

Your letter is ~~apprec~~ appreciated, and I'll enclose some propaganda
about our station.

Aloha For Now,

Michael E. Slocum
Music Director
