April 19, 1978

Mr. Bill Nittler
603 W. 1st
McCook, Nebraska 69001

Dear Mr. Nittler:

We are indeed pleased to confirm your reception report of April 16, 1978, at which time you quite accurately logged programming from K Y E Z 1358 through 1402 C.S.T.

K Y E Z first went on the air in 1975, and operates with an effective radiated power output of 100,000 watts on 93.7 MHz. Format is beautifull music.

Most Sincerely,

D. A. Engelhardt
Chief Engineer
K S A L / K Y E Z
