Dear Bill:

Thank you for advising that you heard our WDDJ FM-97 signal from 1:49 PM to 2:04 PM CDT on June 18, 1980. Your's is the second farthest point where our signal has been confirmed. Approximately a year ago we received a report from California, and just recently, we received a call around 2 AM one morning (signoff time) from a fellow in Stillwater, OK.

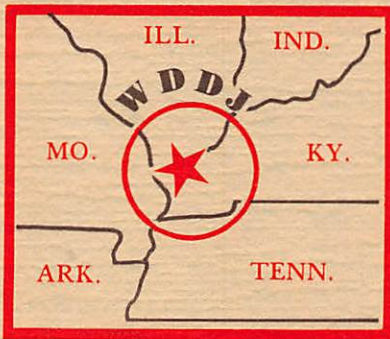

We are confirming reception of your letter and are also enclosing a packet of information about WDDJ FM-97.

Yours very truly,
