Dear Mr. Nittler:

I am writhing to confirm your letter concerning reception of our signal. On June 8, we were in the midst of a fund raising marathon. We are a non-comercial station.

WSOF is a 15,000 watt station which covers Western Kentucky, Southern Indiana, Eastern Missouri, Eastern Illinois, and Northern Tennessee. The format is a Christian Educational station.

We appreciate your taking time to let us know that you have picked up our signal from so far away.

I am enclosing some items from the station that you may find interesting.

Feel free to write anytime to let us know of any future signals that you may pick up.

In Christ's service,

Carl Brothers  
General Manager
