Dear Bill:

I am writing to verify your letter to us concerning the reception of 94 Country/KLEB AM & FM in Mancos, Colorado on May 14, 1994. Yes, you did indeed hear our radio station.

At the time of your reception, KLEB was running "The Dream Vacation to Nashville and The Stars." In fact, we are giving away the trip for two to Nashville tomorrow night! It's really exciting and tiring at the same time. We're all very anxious.

Jeff Porche was the radio personality that you heard on May 14th at our radio station located in Golden Meadow, Louisiana. I have enclosed some general information about 94 Country/KLEB and also a refridgerator magnet and bumper sticker—leftovers from Mardi Gras.

Thanks for your interest,

Kathy Pickett,  
Promotions Director
