Dear Bill:

Thank you for reporting reception
of KROC-FM on August 13, 1978.

This is to confirm our programming
as per our log & your report.

Very Truly yours,

Robert W. Cross
Ch. Engr.

P.S. This must have been one of the
major bursts of the season as we
had many reports of reception around
the midwest for Aug. 12-13-14,

Love
