

Was listening to 94.3 with a station IDing as I-94 as early as 3:35 P.M. CDT ID as "Real Country" also. Ad for Ray Daniels Cars, "Largest seller in Ark-LA MS "

3:37 "Ole Miss, Miss. State and Alabama football on Real Country" Country music followed.

3:45 Announcer was Mike Jones

(Station was fading in and out and then I heard phone #335-9265 given which I discovered in my directory is your phone #)

4:21 Ad for Rogers Auto Parts in Ellisville with phone #428-0411 Ad for Jasper County Bank.

"Thrill to racing Wed. morning only on Real Country I-94"

3:10 Talk program on top featuring BrotherMatt called "Teen Talk" with phone #335-9265 given. Asking teens to turn in weapons with no questions asked. Today's topic was "Gangs"

Unable to actually identify anything here. Was your station mixing in with someone else? Don't have anything listed in the Jasper County area. Any ideas.
