Dear Bill,

This letter is to confirm your reception of WKTF at 3:31pm on July 1, 95.

It is not uncommon for temperature inversions to occur in this part of the country and cause ducting. We quite often notice it between the surrounding states. However, it is rare that a duct would extend to Colorado. Congratulations...

Our other stations in the area are WMSI 102.9, WJDX 96.3 and WJDS-AM 620.

Sincerely,

George Thomas
