Dear Bill,

I recieved your letter about the "skip" reception on July 5th.

That's us!

On several occaisions, we have received letters from your part of the country receiving KZZY. One from just outside of Santa Fe, NM and one from Flagstaff, Arizona. You're the first from Colorado, as far as I know.

Maybe we should start selling advertising out there!

Enclosed is a Bumper Sticker from KZZY for your collection.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Curt Teigen'.

Curt Teigen,
Operations Manager, KZZY-FM
