Dear Bill:

As a fellow DXer (mostly TV) I can sympathize with you and also apologize for not sending you a verification of your reception of KBHL .

You did, infact, receive KBHL on September 7, 1977.

KBHL is the nation's pioneer with the contemporary Christian music format, having gone on the air in March, 1975, and having stayed with the format longer than any other station.

We don't have a coverage map but I will enclose a bumper sticker.

Sincerely,

A handwritten signature in blue ink, which appears to read "Scott Campbell", is written over the typed name.
