Bill Nittler
603 W. 1 st
McCook, NE 69001

Dear Bill,

Thank you for your letter of August 26, 1977 in which you advised us you had received our broadcast on 95.3 MHz., on the morning of August 26, 1977. We appreciate letters of this type and from the program discription there is no doubt about it being KSID-FM.

Thank you again, and continued pleasure and success in your DX venture.

Very Sincerely

Lester C. McConnell
Chief Engineer
