Radio Station KJZS
300 E. 2nd St.
Fl 14
Reno, NV 89501

Dear Radio Friends:

I am very pleased to report reception of your radio station in Mancos. The following is what I was able to log on your signal:

Date: June 16, 2003 Time: 9:21 P.M. PDT Frequency: 92.1 Mhz

Details heard

9:21 P.M. PDT ID "Smooth Jazz 92.1 KJZS" AD for Concert Under the Stars 2003 on Aug 23rd, \$35 admission, at Thunder Canyon. Gave address as 300 E. 2nd and newjazzreno.com.

9:22 Ads for a plastic surgeon, Rattler Ridge Bar and Grill and Incline Glass at 28 E. Briggs in Sparks. "Long sets of great music, the smooth ride home with Chris Young weekdays on 92.1" Ad for renohelp wanted.com.

Your signal fairly good and a surprise as I had never logged a station in Nevada before. I have now heard 31 states on FM. Numerous other CA and OR stations in on skip at the time.

Would appreciate it very much if you would send me a card or letter of verification on my reception of your station. I have enclosed a self addressed stamped envelope for your convenience in replying. Thank you very much for this favor.

Mancos is located in Southwest Colorado between Cortez and Durango in the Four Corners area, the Gateway to Mesa Verde National Park.

Will be looking forward to hearing from you soon. Good luck to you in your future broadcasting activities.

Sincerely,

Bill Nittler

Bill -
You heard us alright!
Thanks for your
interest.
All the best,
Dory Thomas
