

MAGIC 99.5

LIGHT ROCK... LESS TALK

March 9, 1995

Dear Bill,

This is to verify your reception of "Magic 99.5" in Albuquerque, New Mexico on October 10, 1993.

Our announcer, David Warner, says that if he had realized you were listening in Colorado, he would have done a little more "show prep."

If, by chance, you should pick up our sister station, KHTL, 920 on the AM dial (formerly KQEO), let us know and we'll shoot you back a letter in a couple more years!

Happy DXing!

Steve Clem
